

ACKNOWLEDGEMENT FORM

Pads drive, with the help of the director Miss Susan Wambui and the joint taskforce, planned a visit to Emerit School, where they spotted a need especially in relation to sanitary pads, and therefore planned to make a donation on eighth of August 2020.

Therefore, on August 8, 2020, PadsDrive donated 180 sanitary towels to sixty girls in Emerit school. Each girl received three packets, which are enough to sustain her for three months. The Director handed over the sanitary pads to the school head teacher. Due to the Covid 19 pandemic at the time, it was not able to distribute the sanitary pads directly to the girls in the school, also because the schools had been closed and therefore it wouldn't have been easy to get to them easily. Therefore, it was expected that the Head Teacher would distribute the sanitary pads to the girls, through their parents.

We are grateful for the warm welcome, and we would like to thank the school administration for allowing us to do make such a noble act of charity, especially during the pandemic.

Kindly sign below, after receiving the sanitary pads.

Head teacher's Name FRANCIS S-SIONKUH
Signature [Signature] -0726787135

Director's Name Susan Wambui-Ndunge
Signature [Signature]

Warm regards
